

Artur Shamsutdinov

Flutter Developer

Ufa 450022

a.shamsutdinov@icloud.com

+79279324082

Mobile Developer with over 5 years of experience. Working with many multiplatform projects from the ground up. Also working on different interactive media projects. Have a lot of hands-on experience analyzing and improving UX for clients in mobile and desktop apps in recent years. Open to trying new technologies. Would love to share my knowledge and participate in professional conferences and to mentor junior developers.

Готов(а) к переезду: в любое место
